element of the contracted guarantees or their limits.

 **PlusUltra**
Seguros

Health is our primary concern, that is why our product, **Cosalud healthcare**, has the best medical staff, with specialists and hospitals, and the added guarantee of a second medical opinion.

We have 52 branches, and over 200 business offices and exclusive agencies, to provide you with the most comprehensive coverage:

Free election of approved specialists at national level.

Reimbursement of paediatric, gynaecological consultations, and pharmaceutical expenses.

Medical appointments within **24 hours**.

Authorizations within a maximum period of 2 hours (most of them are immediate) and refunds in less than 48 hours.

24-hour **health telephone service** at 902 25 10 25, offering you the possibility to contact a doctor directly for an initial guidance and, if needed, the coordination of hospital care.

We completely adapt to your needs.

Free choice of doctor and second opinion.

Innovating in technology and expanding the coverage

The new technological advances help us be up-to-date in treatment and diagnosis techniques:

Unit of brain damage.

Unlimited prostheses.

Prevention plans:

Cardiovascular risk.

Breast, cervical or colorectal cancer, etc.

Fast response, thanks to the permanent telephone service, the branch network and our website.

Personal care treatments

Take care of yourself from the inside and the outside: Medical checks and reviews; dental care; laser aesthetic, plastic and repairing surgery with the best professionals and at the best prices.

At **Plus Ultra Insurances** we are always by your side when you need it most, offering you all the information you may need, also at our website: www.plusultra.es
