element of the contracted guarantees or their limits.

 **PlusUltra**
Seguros

Plus Ultra Insurances brings you the most innovative product in the car insurance market.

It is a completely personalized insurance, tailor-made to the customer's needs, which offers the necessary robustness and reliability when driving.

@automatic Plus is so flexible that it can be contracted in a modular way, with broad guarantees that allow our customers to enjoy a unique car insurance. Depending on your coverage needs, you can choose between two modes:

@automatic third parties

Third party insurance with added advantages that you can select in any of its three options:

Classic
Combi
Executive

@automatic full risk

The most comprehensive all risks insurance in your two coverage options: Classic and Executive.

With our wide offer of packs, you can configure your car insurance easily and conveniently, choosing the one that suits you best:

Compleat
Asesor
Plus
Optima Plus
Optima
Advance Plus
Personal Protection
Assistant
Personal Protection Plus

And, for our most demanding customers, looking for a 100% personalized car insurance, **@automatic Plus** offers two options:

@automatic to third parties for **third party** insurance.
@automatic full risk for the all risk insurance.

Thus, you can hire only what you need, but always with the essence of a great car insurance.

Our brokers can also design your own insurance modality completely tailored to your needs.
